Technical details

Introducer Sheath	
Material – outer	Stainless steel reinforced polymer
Material – inner	PTFE liner
Flexibility	Regular & Firm
Sheath coating	Hydrophobic
Sheath tip	Smooth taper with radiopaque platinum iridium marker band
French size	4, 5, 6, 7, 8 F
Length	15, 45, 60, 90 cm
Sidearm/hemostatic valve	Detachable, with color coded 3-way-stopcock

Ordering information

Diameter (French)	Length (cm)	Catalogue Number		Inner Diameter Minimum (mm/inch)	Dilator Guidewire Compatibility max.	Units/Case
		Regular	Firm <small>new</small>			
4 F	15 cm	FG-04015		1.60 mm / 0.063"	0.035" & 0.018"	5
4 F	45 cm	FG-04045		1.60 mm / 0.063"	0.035"	5

DuraSheath
Kink-resistant introducer sheath

 Rethink the basics

Supporting complex vascular access

DuraSheath

Kink-resistant introducer sheath

From easy insertion to smooth navigation to superb visibility: DuraSheath is designed to combine optimal performance with excellent pushability and trackability.

While maintaining the inner diameter, DuraSheath allows for smooth device passage and has an exceptionally small kink-radius and non-ovaling effect. The detachable hemostatic valve provides flexibility and versatility, giving you the ability to focus on the intervention.

New optional shaft material
optimal backup support transitioning to softer distal zone for safe navigation.

Dilator with snap-fit
secures the dilator for safe insertion.

Detachable hemostatic valve
provides you options.

Outer diameter
with smooth surface for low friction navigation.

Inner diameter
smooth device delivery and movement.

Rethink the basics

Passionate about bringing innovative ideas and medical device solutions to life, we are a team building on nearly 20 years of experience in the design and manufacturing of medical device solutions for partners around the world.

Even small changes in product design and quality can make a clear difference – making procedures easier and simpler with better outcomes.

Continually striving for solutions to the most basic problems, we don't go back to basics, we rethink the basics.
